## Pabalay ni Mayor Moral

Ni: Noy Juriana

Ang gisaad ni Mayor Lolita A. Moral nga proyekto sa iyang pagpapili isip mayor sa Lungsod sa Braulio E. Dujali niadtong 2007 local and national elections gisugdan na pinaagi sa gipahigayon nga Ground Breaking ug Blessing sa LAM Shed Program niadtong Mayo 8, 2013 sa Purok 5, Cabayanan, Braulio E. Dujali, Davao del Norte.

Gipaningkamutan ni Mayor Moral pinaagi sa pagtugot sa konseho pinangulohan ni Bise Mayor Samuel F. Pacres ang pagpalit og upat ka hektaryang (4 has) luna sa kantindad Php 800,000.00 pesos. Ang 50% balor or Php 400,000.00 gikan kay Congressman Antonio F. Lagdameo, Jr. ug ang laing 50% - Php 400,000.00 gikan sa panudlanan sa munisipyo. Kini nga programa ilalum sa Socialized Housing Project sa National Housing Authority (NHA) sa kantindad Php 11,000,000.00. Tumong ug tinguha niini ang pagbalhin sa mga namuyo sa sementeryo sa New Casay, niining lungsod tungod kay dili maayo sa panglawas ang pagpuyo duol sa sementeryo. Sila ang unang prayoridad sa maong proyekto, ikaduha ang mga nagpuyo daplin sa National Irrigation Administration (NIA) kanal tungod kay madisturbo sila panahon sa rehabilitation sa NIA.

Kinahanglan mabakante usab ang sementeryo area sa New Casay tungod kay plano sa mayor nga madevelop ang maong lugar alang sa paghimo niining socialized memorial park.

*“ . . . hangyoon ko kamo nga magkahiusa, magtinabangay ug inyo kining ampingan ang inyong lugar, atimanon ang mga tanum ug ipahiluna ang basura kay himoon nato kining gamay nga paraiso. Usa ka social nga subdivision kini nga proyekto, sementado ang dalan, may recreation area ug labaw sa tanan dunay chapel alang sa pagpalambo sa atong spiritual nga kinabuhi. Aduna man kamo’y asosasyon, ang New Casay Housing Association, Inc. pinaagi sa inyong Presidente nga si Mr. Carlito Suresca, kung unsa man ang mga problema panahon sa pag-emplentar nato niini nga project ipaabot ninyo kanako thru sa inyong presidente aron atong maaksyonan dayon. Kini nga housing project dili libre aduna kini monthly payment pero very affordable kay under supervision sa NHA. Kinahanglan bayaran kay ang pundo nga matigum gikan dinhi ato na usab gamiton alang sa lain pang proyekto aron ato gayud maangkon ang dugang pang kalambuan sa atong lungsod.”* Matud ni Mayor Moral atol sa iyang mensahe.

Nitambong sa maong programa si Engr. Carolina P. Angel, EnvP, OIC Director sa NHA Region XI, Engr. Dante Bautista, representative ni Congressman Anton Lagdameo, Vice Mayor Hon. Pacres, Fr. Jose Valdir Siquiera, Parish Priest sa San Jose Parish nga maoy nagblessing sa proyekto, Mr. Carlito Suresca, NECAHA President, mga kapitan sakop niining lungsod ug tanang membro sa asosasyon.

### 7<sup>th</sup> Council sa Braulio E. Dujali

Ni: Noy Juriana

Ang ika-7 nga konseho sa Lungsod sa Braulio E. Dujali, Davao del Norte mao ang mga piniling opisyal alang sa tinud-anay nga serbisyo ug mohatag dugang kalamboan sa lungsod, pinangulo han ni Mayor Hon. Lolita A. Moral, Bise Mayor Hon. Samuel F. Pacres ug mga membro Sangguniang Bayan: Hon. Leah Marie A. Moral, Hon. Gregorio S. Facula, Hon. Donna Mae B. Bernadas, Hon. Melfar C. Aguiluz, Hon. Joelito B. Juriana, Hon. Restie E. Tabirao, Hon. Daniel G. Hilario, ug Hon. Romulo S. Esmino, Jr.

Ang oath taking ceremony gipahigayon niadtong Hunyo 28, 2013 alas 2:00 sa hapon didto sa ika-duhang palapag sa munisipyo. Si Hon. Minerva P. Estremos, Presiding Judge sa Municipal Circuit Trial Court (MCTC) gilangkuban sa mga munisipyo sa Sto. Tomas, Braulio E. Dujali ug Carmen, maoy natahasan alang sa pagpanumpa sa nahisgutang konseho. Ang ika-pitong konseho moalagad sa mga Dujaliños sulod sa tulo (3) ka tuig gikan 2013 hangtud 2016.

*“... karong hapon, nagsimbolo ang pagsugod ug pagpadayon sa pangatungdanan, mga responsibilidad nga gisangon kanato isip piniling opisyaes, ang ika-7th Councilsa Lungsod sa Braulio E. Dujali. Kita ang gitugyanan alang sa paghatag sa mga nag-unang panginahanglan sa atong katawhan ug labaw sa tanan kalambuan alang sa Braulio E. Dujali.*

*Ang election lumalabay lamang, labaw’ng gikinahanglan ang panaghiusa ug pagtambayayong aron ang gidamgo natong kausaban ug paglambo sa atong lungsod matuman. atong damgo ang pagpahimutang sa tanan aron mausbawang panginabuhi sa matag pamilya, kay kung haruhay ang pamilya haruhay usab ang atong lungsod.*

*Isip mayorsa atong lungsod, ang akong katapusang termino pagka-mayor, akong kinasingsing hangyo sa 7th council ang atong panaghi-usa alang sa atong tinud-anay nga serbisyo, ang tumong ug tinguha niini alang sa kalambuan sa tanan. Dili nako kini mahimo nga mag-inusara, dili kini mahimo ni Vice Mayor nga siya ra, kung dili natong mga piniling opisyaes ug mga buotang lumulupyo sa Braulio E. Dujali”. Ang mensahe ni Mayor Moral atol sa maong selebrasyon.*

Ang entoto Message of Solidarity ni Governor Rodolfo P. del Rosario, delivered by Mr. Rolly Yap, Executive Assistant, *“It is with great honor and privilege that I become part of this momentous occasion – the oath taking of the newly elected officials of the municipality which has been bringing us honors in the field of agriculture.*

*Many of our agri-achievers in the province come from Dujali. The Espartero Family has been reached the national level and won the National Gawad Saka as Outstanding Fisherfolk Family, Ireneo was awarded as Outstanding Farmer; Wenita as Magsasakang Siyentista; while daughter, Anna Rose, has been a national finalist under the Outstanding Young Farmer category. Also from this town, among others, is the most recent Gawad Saka national winner, Anna Cagulada, being the best integrated rice farmer. Through the years, I saw Dujali rise. Economic wise, agriculture has fared well here despite unpredictable weather patterns. And the municipality has a lot more to offer.*

*Indeed, Dujali has gone far. Worthy of commendation for all these are the efforts of the local officials who made sure development targets are met. And all these achievements pose a challenge to the newly elected officials to surpass.*

*We have a more challenging term ahead of us. But I salute you for accepting the responsibility that lies behind this oath-taking ceremony.*

*In closing, I hope to be working more closely with you in delivering value added service to the entire constituency of B.E. Dujali. Congratulations and Mabuhay!”*

Ug ang entoto message ni Congressman Antonio F. Lagdameo, Jr. delivered by his representative Engr. Dante Bautista *“Today marks another milestone in the history of public service and governance of the Municipality of Braulio E. Dujali. I would like to warmly congratulate all of our newly-elected municipal officials headed by Mayor Lolit Moral and Vice Mayor Samuel Pacres and councilors.*

*In the past couple of years under the steady hands of Mayor Moral, Braulio E. Dujali was able to change not just as a dependable food basket of the province but also as a model of good governance and fiscal management. With meager resources, the LGU was still able to reach its development perspectives and served its constituents with aplomb.*

*From a struggling town, Mayor Moral with the support of the Sangguniang Bayan, Barangay leaders, employees and various stakeholders, transformed Braulio E. Dujali into what it is today, a booming town with still lots of potential for growth.*

*And I believed that with still 3 more years remaining under her tutelage, we can expect more, better changes.*

*Peace and prosperity must come hand in hand. Progress must not only be measured by the number of successful industries operating within the locality nor of the number of gigantic malls or of the length of roads cemented. Genuine progress must be measured also as to how people interact with each other in creating a harmonious, peaceful community with ample rooms for growth and*

*respect. Ika nga sa isang popular na kanta ni Jessie J. na Price Tag “we don’t need the money, we just wanna make the world dance” we wanted to enjoy living in our community, our barangays, our town. Certainly, the road to building the municipality is far from over that is why there is always a cycle of election for there are still lots of room for growth. This is the reason why we are all here.*

*There is also another reason why I am here.*

*And it is to thank you for the vote of confidence you have given me in the last elections.*

*A congressman is basically a casual employee, a temporary worker with a limited three year job contract. He is in office for about 1,000 days, after which he will seek an extension of his contract during a performance review otherwise known as elections.*

*In short, he is a job applicant every 36 months, and it is up to his employers, also known as voters, whether to hire or fire him.*

*So I would like to thank you all for all for renewing my job contract, possibly for the last time, because I have reached my limit of three consecutive terms.*

*And what made my, to use a basketball term, “three-peat” sweeter is that the people of Braulio E. Dujali have always approved, overwhelmingly, my job application.*

*I would like to believe that it is my performance that convinced you to accept my request that I be re-hired again.*

*My friends: I may not be a flamboyant congressman who chases headlines for a living. But what I can assure you is that I am a dependable worker who chases projects for his district and gets things done with less fanfare.*

*Because at the end of the day, it is not number of sound bites captured by TV cameras by which a representative must be judged, but by the aid he had sent his people, and the projects he had sunk in his district.*

*And for you to have adopted this yardstick of accomplishment makes me a lucky congressman for I have a mature constituency who appraise the work of their man in Congress not in reams of publicity but on the record of his performance.*

*And I shall retain that template of service, one that puts premium on deeds, not on words. I will act on your needs by finding solutions to your problems instead of merely echoing them. Because merely repeating the problem is not solving it.*

*I shall remain a workhorse, not a show horse.*

*My work will be entirely devoted in improving your lives and not my image. I will not give a hoot about raising my profile. I would rather devote my waking hours to raising the welfare of the people that I serve.*

*My focus will not to issue press releases, but to work for fund releases.*

*I will not grandstand. I will rather build schools.*

*That shall be my style because I believe that a legacy that is more durable are not the transcript of speeches that will be buried in the archives of Congress, nor news clippings that termites love to snack on.*

*For me I would rather that my performance be written on the landscape of this great province, in roads that you can walk on, schools that your children will go to, scholarships that will bring them as far and as fast as their talents will allow, and many more projects whose construction may not merit a line in national papers but will matter great to the people who will benefit from them.*

*This shall be my guiding faith in the next three years.*

*I will obey my oath, and I shall not fail you. But I cannot do it alone. I need your support and, above all, prayers. More than anything else, I shall be sustained by the thought that I am always in your prayers.*

*I urge everyone to unite and support our newly-elected municipal leaders as you have supported me.*

*Let us start to work and do the best fellowmen.*

*Thank you very much.”*

#### **PANATANG MAKAPALAY**

*Bilang isang mamayang Pilipino  
Nakikiisa ako sa panatang huwag  
magsayang ng kanin at bigas  
Magsasaing ako ng sapat lamang  
At sisiguraduhing tama  
ang pagkakaluto nito  
Kukuha ako ng kaya kong  
ubusin upang sa aking pinggan  
ay walang matirang kanin  
Ganun din ang aking gagawin  
kung may handaan  
o kung sa labas ako kakain  
Ang brown rice o pinawa ay  
susubukan kong kainin  
pati na ang ibang pagkain  
bukod sa kanin tulad ng  
saba, kamote, at mais.  
Ituturo ko sa iba ang  
Responsableng pagkunsumo  
ng mabigyang halaga ang pagod  
ng mga magsasaka  
at makatulong na maging sapat  
ang bigas ng Pilipinas.  
Aking isasapuso ang panatang ito  
dahil sa bawat butil  
ng bigas o kanin na aking  
matitipid ay may buhay na masasagip.*

## NCCC goes to Braulio E. Dujali

BY: ping akmad

The Department of Trade and Industry (DTI) – in partnership with the NCCC Mall of Tagum and in cooperation with the Municipality of Braulio E. Dujali, Davao del Norte with the support of Hon. Mayor Lolita A. Moral conducted the Presyo Diskwento Caravan last May 27, 2013 held at Braulio E. Dujali Public Market thru Mr. Abel T. Pagatpat, Local Economic Enterprise Officer. Discounted prices range from 10 to 50 percent off.

The DTI also sponsored free therapeutic massage, free haircut thru Braulio E. Dujali Association of Massage Therapist (BEDAMATH) and Barbiro Kada Barangay Association (BARKADA) and simultaneously done during the selling activity.

Said program was a flagship project of DTI since 2008 that aimed to provide non-wage benefits for wage earners and employees to ease the consumers' burden of rising prices of basic necessities and prime commodities.

"We wish to reach out more consumers in the rural areas so that they too can enjoy the discounts as well as quality goods because there were many products of their choice available," said Atty. Jingle Balleque, OIC – Consumer Welfare Division.
