The Municipality of Braulio E. Dujali was actively involved in a weeklong activity of the 44th Araw ng Davao del Norte celebration from June 25-July 01, 2011, such as the Tourism Agri-Trade held at the Davao del Norte Capitol ground.

The municipality's entry to the Lighted Float Competition was a "Magical Hen" representing Dujalinians' domestic friend because almost every farmer in this locality raises backyard chicken as livelihood project to augment meager income.
