RESOLUTION NO. **2012-24**

**A RESOLUTION MAKING AN INQUIRY AS TO WHEN THE STALLED RIP-RAPPING PROJECT ALONG MAGUPISING RIVERBANK BE RESUMED OR COMPLETED.**

**WHEREAS**, Barangay Magupising and adjacent communities are threatened by imminent danger of another flooding incident, similar to that happened in the Cities of Cagayan de Oro and Iligan, wherein many people were affected;

**WHEREAS**, the aforementioned Barangay is located very close to a river that during rainy season or even due to heavy downpour, easily gets swollen. Perhaps to avoid further scouring along riverbanks, the Provincial Government of Davao del Norte, thru the Provincial Engineer's Office, started rip rapping activities, but the people in the community noticed that the project was stalled for almost a year now for no apparent reason;

**WHEREAS**, currently, you will see several concrete blocks and slabs installed along the riverside are almost carried away by water and plenty of coconut trunks, left unattended under rain and sunlight, got rotten;

**WHEREAS**, we all know that infrastructure projects regardless of their kind usually entail huge allocation in this case, the present sight of infrastructure materials that had lost their usability is indeed disgusting;

**WHEREAS**, this honorable body hereby adopts this resolution for two reasons, one is to at least prevent possible ill effects of flooding and another is to do away with wastage of infrastructure materials;

**WHEREFORE**, on motion of Hon. Daniel G. Hilario, and duly seconded by Hon. Joelito B. Juriana, Hon. Allan S. Paraguya and Hon. Julian J. Dujali, Jr., it is hereby

**RESOLVED TO MAKE AN INQUIRY AS THIS BODY HEREBY MAKES AN INQUIRY AS TO WHEN THE STALLED RIP-RAPPING PROJECT ALONG MAGUPISING RIVERBANK BE RESUMED OR COMPLETED.**

**CARRIED.**

I HEREBY certify to the correctness of the foregoing resolution.
