

SMB Grand Videoke Challenge continues

By: Noy Juriana

The Grand Videoke Challenge sponsored by San Miguel Brewery (SMB), Inc. and in partnership with the Local Government Unit of Braulio E. Dujali extended until 2nd quarter of 2011, particularly in the month of August to September every Wednesday and Thursday night at the municipal gym during the market day of this municipality.

It was a great opportunity for Dujaliñians to enjoy and had an entertainment spree through videoke singing competition with a cup of San Miguel Beer. It was a relaxing moment for every farmer after a tiresome activity in the farm every day, much more that it entailed prizes for the lucky winners. The prizes for the aforementioned event were the following: first prize shall receive the amount of Php 750.00, second shall receive Php 500.00 and 3rd shall receive the amount of Php 250.00. Its just a game of fun yet an additional income to the lucky ones. The videoke challenge is not necessarily be for good singers as long as the contestants familiarize the song it would be a big chance of winning.

The project is hopefully be extended until the fourth quarter of this year since the project proposal was already submitted to the SMB Central Office for its approval. *"I am confident that our project for the 4th quarter will be approved. Should it be approved hopefully, the project shall good for November and December as Pamaskong Handog ng San Miguel Beer to Braulio E. Dujali",* said Mr. Aldrin Montero, SMB Project Supervisor of the San Miguel Beer Corporation.
